
Imerys Carbonates North America Announces Price Increase for Calcium Carbonate Products

Roswell, GA -- [Imerys](#) Carbonates North America announces a price increase for its calcium carbonate products. The increase is effective as of December 1, 2017 and is subject to individual contract provisions. Prices will increase an average of 5%, depending upon product grade, packaging and geographic region.

The price increase supports the escalating transport, operation and regulatory costs associated to changing market needs. [Imerys](#) continues to invest in higher quality products, operational safety and customer-driven innovation, and maintains reliability and operational excellence initiatives to battle inflationary pressures.

[Imerys](#) Carbonates offers innovative and sustainable solutions for a variety of applications including adhesives, caulks & sealants, building materials, consumer goods, plastics, food & pharmaceuticals, paint & coatings, film & packaging, and many others.
